**Haringey Aquatics Annual General Meeting**

The AGM will be held on Monday 20th February 2012 in the Silver Room at Tottenham Green Pool, please arrive from 7pm for 7.15pm start there will also be light refreshments available.

The AGM is where the Club Officials report to the membership on the key events and results from the last 12 months. Also to pass on some thoughts for next year and seek to fill the formal committee posts. Your committee would like to extend an invitation to all swimming members (although only those aged 14 and over may vote on any issues) and parents to join us. The business of an AGM is often fairly straightforward and does not take too long.

In addition attending the meeting can sometimes give you a better understanding of what goes into running a club like ours and might, hopefully encourage some of you to consider taking on a more active role in the future.

We would therefore appreciate your attendance. We will also be presenting some trophies to swimmers at 8.45pm.

Waltham Forest Diving Club Open Competition, Sunday 20th Nov

The Diving club sent along a squad of eight divers for our first team competition since we formed in September this year. Competing against eight other clubs who had an average of fourteen members per team we enjoyed huge success with five of the team taking medals. The great team performance was highlighted by the fact that despite only having eight divers we managed to finish above one other club in the team competition which was won by Waltham Forest who had forty-two divers entered in all competitions.

Results in order of appearance:

13/14 Years Girls (Novice) Alice Hunter 3rd Place (Bronze medal) 78.45pts
Under 8 Girls – Aimee Brosnan 3rd Place (Bronze medal) 52.75 pts
8 years Boys - Roland Somogyi 8th Place 42.90
9 years Boys – Jake Lerman 2nd Place (Silver medal) 76 pts, Cass Beckford 5th Place 49.20pts, Dominick Carson 6th Place 46.45 pts
12 years Boys (Novice) Samuel Carson 3rd Place (Bronze medal) 66.60 pts
12 years Girls (Novice) Mathilda Whitehead 3rd Place (Bronze medal) 66.40 pts

At the second modern Olympic Games contested in Paris in 1900, the most unusual event to be held was underwater swimming. Swimming became a part of the Olympic Games in 1896. It started as a men's only event, with the women's event starting in 1912.

**Front crawl swimming facts**

- **Keep your head as still as possible when swimming front crawl.** This will help direct you in a straight line and reduce drag.
- **Keep your head low and your hips high to avoid dropping your legs while swimming front crawl.**
- **Staying as streamlined as possible is important for increasing your front crawl efficiency.**
- **Front crawl kicking basics** – pointed toes with flexible ankles and kick from the hip, not the knee.
- **The arm stroke in freestyle provides the majority of the propulsive force.**
- **The freestyle breathing pattern can be adjusted to the need of the distance you are swimming and the effort you are putting in.**

**Useless Olympic swimming facts**

- At the second modern Olympic Games contested in Paris in 1900, the most unusual event to be held was underwater swimming.
- In the 1948 Olympics, the U.S. won every event in the swimming competition.
- Swimming became a part of the Olympic Games in 1896. It started as a men's only event, with the women's event starting in 1912.
- The Front Crawl stroke is the fastest, most popular stroke and is swam over seven different distances at the Olympic games.
- The Japanese won all the men's titles except the 400-meter freestyle in the 1932 Los Angeles Olympics.
